About the State

There were 53 commitments at the In these days of strendous competition it is necessary to maintain, as long as Rutland county jail during March. Twenty-three of the prisoners were transferred from other counties. Of the whole number of persons committed, 19 were charged with intoxication. Only two names were entered on the house of correction blotter during March, Harvey Youngman of Burlington, who sold liquor illegally, and George Maloney of Vergennes, who escaped from the indus-

> William Taylor, a clothier in Boston for more than 50 years, was tendered a dinner Monday evening at Young's ho Mr. Taylor was born in Plainfield, Vt., 77 years ago. He went to Boston when a young man and entered the employ of the firm of T. Y. West, clothiers. March 1, 1861, he branched out for himself and has been in business ever since. He resides in Somerville and was one of the founders of the Somerville hospital, being at the present time one of the trustees of that institution. He was presented a Morris chair at the dinner Monday night.

> Important regulation regarding the sale and distribution of milk in Rutland have been made by the state and city boards of health. Hereafter there will be no distribution of milk in bulk. All milk utensils used by dealers shall be steam-sterilized, and the milk has to be cooled before bottling. The new regulations will prevent warming up the morning milk and selling it for fresh evening milk, and also the swapping of milk in bulk between handlers of the

Troublesome Spring Malady

made. Egg receipts have often been Agriculture. It is then that the malarger at this season of the year than jority of the cows drop their calves, they are now, and, as a good many are and it is always immediately after being stored, the amount available for calf-birth that the trouble is more pro-The trouble can usually prevented by keeping the udder milked out for two or three weeks before the Butter-Fancy northern creamery, date of delivery. Cows which give 22 tubs 231/6@24c, boxes 24@241/c, prints or more pounds of milk per day secrete fancy western creamery, milk to rapidly to go two or three weeks without being milked. No serious 31/c, fancy storage creamery 22@23c, results are experienced by the cow that fair to good creamery 20@22c, dairy is as regulaly milked before delivery as after.

At the beginning of the attack the jets that she usually passes unnoticed, and keeps moving about uneasily. sometimes shows symptoms of colic, but this is not common. Within a short time paralysis begins, she seems to lose control of her hind parts and she is very unsteady in her movements, the knees especially showing weakness. The unsteadiness and weakness crease till she falls, unable to rise At this time the eyes lose again. their nervousness and become partly The head is invariably turned to the side of the body, resting on the chest. The body usually rests slightly on one side. It is impossible for the animal to swallow, the paunch comes bloated and the pulse is weak If the disease progresses unfavorably the pulsations increase, many times ex-The temperaceeding 100 a minute. ture is usually low, but rises as improvement is manifest.

At this stage of the trouble the only effective remedy is the injection of sterilized air into the udder. done by means of a milk outfit which may be obtained at any drug store. With this instrument air that has to pass through absorbent cotton is pumped into the tests and then gently massaged through the udder. Before inserting the tube, or even before using the outfit, every part hould be steri lized in boiling water, and the hands of the operator should be perfectly lean and washed in a weak solution of carbolic acid. Usually the will be on her feet in an hour after administering the remedy. The injection of the sterilized air should done before any of the milk has been removed from the udder. If the shows no improvement in a half-hour, the remedy should be repeated.

Saved His Mother's Life

"Four doctors had given me up," writes Mrs. Laura Gaines, of Avoca La., "and my children and all my friends were tooking for me to die, when my son insisted that I use Electric Bit ters. I did so and they have done me a world of good. I will always praise them." Electric Bitters is a priceless blessing to women troubled with fainting and dizzy spells, backache, weakness, debility, constipation or kidney disorders. Use them and gain new health, strength and vigor. They're guaranteed to satisfy or money refundonly 50c at Red Cross Pharmacy. electric lights. No. 7 Eastern avenue. 3071
